VOLUME CVIII.--NO. 240. ALEXANDRIA, VA., WEDNESDAY EVENING, OCTOBER 9, 1907. PRICE 2 CENTS.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive *free* booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

HURRICANES.

A storm of almost hurricane force, which swept over New York Monday night and yesterday, did much damage and caused great inconvenience both on land and water. Sheets of blinding rain washed out streets, undermined embankments and fences, broke plateglass windows and make navigation on the waterways around the city most hazardous. The Sound steamers got the full force of the storm, and several of them were hours late in reaching their piers.

A cyclone cut a swath through Seaford, Del., and threw its residents into a panic yesterday. Trees were uprooted, roofs of houses blown off and in many instances carried several hundred yards. Telegraph, telephone and electric light poles were blown down, and traffic on the Delaware Division of the Pennsylvania Railroad was stopped for a time.

Much damage was done in Nanticoke City, a suburb of Seaford, and Reliance, Md., where it is said that many were hurt and their homes swept away. When the cyclone struck the town many people were on the streets, having just arrived on the northbound express. Everyone was terrorstricken and rushed for a place of safety, a number being struck by falling trees and receiving slight injuries. In the negro settlement a panic also ensued, many seeking refuge in their frail shanties, many of which were blown down.

The storm was severe at most cities on the Atlantic seaboard.

Dispatches from Norfolk say that a high wind and rain storm yesterday caused considerable excitement in that city and vicinity especially at the Jamestown Exposition. The damage, however, was not great.

The death of one boy, the destruction of an engine house on the Gloucester ferry pier at Gloucester, N. J., the blowing of a horse and cart loaded with coal into the river from the same pier, the uprooting of scores of trees and other minor damage resulted from the storm which struck Philadelphia and vicinity yesterday. While the storm was severe in the city proper, it was considerably heavier along the Delaware river and in New Jersey. Several schooners and sailing vessels were blown from their moorings and had to be towed back by tugs.

While crossing the Pavonia bridge over the Pennsylvania Railroad tracks in East Camden during the storm Adolph Fetter, 12 years old, was killed by a falling wire charged with electricity. The boy tried to dodge it, but was unsuccessful, the wire wrapping itself around the lad several times.

His Dear Old Mother.

"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles, by all druggists. 50c.

CHURCH ROBBERS.

Considerable sensation has been caused by the remarkable confession of Antoine Thomas, of Clermont-Ferrand, who was arrested in Paris with his mother and brother, charged with complicity in the theft of the famous Cope of Orth, which belonged to the State and is valued at $120,000, from the church of Ambazac, near Limoges, France. A man named Antoine Faure has also been arrested as an accomplice of Thomas in the looting of churches. Proof has been obtained that Thomas and Faure are the authors of the recent burglary at the museum at Gueret.

For months precious relics have been disappearing from churches, creating the impression that a gang of thieves was systematically at work. Thomas, who gave himself up to clear his mother and sister, now asserts that this theory is correct. He declares that after the passage of the church and State separation law and the taking of the church inventories began, antiquaries of Paris, some of whom are millionaires, hired him and others to go through the country and bribe the parish priests to surrender the relics and substitute counterfeits, which could be turned over to the State.

He says this plan of operation continued for months, but as many of the most valuable church treasures could not be counterfeited, he finally went boldly into the business of wholesale burglary. Thomas estimated the amount of his robberies at $400,000.

Thomas declares that on his travels he found other men engaged in similar work and this indicates that the systematic plundering of churches had been organized on an extensive scale. Even stained glass windows have been taken out and replaced with an inferior article, while the substitution of imitation for priceless bronzes, ivories, paintings and tapestries have been innumerable.

It is believed that almost all the treasures were sold in England or America. A thorough investigation is being conducted in Paris, and it is believed that some antiquaries of international reputation are implicated.

A weak Stomach, causing dispepsia, a weak Heart with palpitation of intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthen these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments disappear. Dr. Shoop, of Racine, Wis., will mail samples free. Write for them. A test will tell. Your health is certainly worth this simple trial. Sold by E. S. Leadbeater & Sons.

[Editorial in Hartford, Conn., Daily Courant]

Collector P. Davis Oakley has voluntarily withdrawn the personal bond of $25,000, given for the proper performance of his duties, and has substituted the bond of a fidelity company for the same amount. This commendable action deserves a passing comment. Mr. Oakley found no difficulty whatever in getting bondsmen, but, whoever his bondsmen might be, there could be no denying that they had put the collector under a direct personal obligation to them. It is far more independent and self respecting, to go down into your own pocket for the premium and pay a corporation, chartered for the purpose, for giving its bond for you. This cost him some money, but with that he buys complete personal independence and sets an examgle that should be widely followed. It is the way to do business; and it is no reflection upon willing friends to go instead to a company. On the contrary, it is doing them a favor.

This bond was written by the

AND VIRGINIA ADVERTISER

WEDNESDAY EVENING, OCT. 9, 1907.

THE authorities of Cumberland, Md., are, very properly, endeavoring to identify the parties engaged in the lynching of a colored man in that place last Sunday morning. The Alleghany county commissioners met yesterday and decided to offer a reward of $500 for the arrest and conviction of the persons who participated in kicking and beating to death the negro Burns who was charged with killing a policeman. It is said that some of the lynchers are known and that the mob included several prominent citizens. It has been stated that a crowd estimated at 10,000, including many Sunday-school children, closely examined the body of the murderer as it lay at the undertaker's. In the evening an attempt was made to close the shop, but the crowd threatened to force the doors, and they were reopened. It is simply amazing that Sunday-school children should have been permitted to gratify a curiosity which ought not to be encouraged even on the part of adults. The effect upon these children cannot but be harmful, because it tends to make them callous—to accustom them to bloodshed and to deeds of violence. Lynching is the result of an excess of passion, and, like excesses of all kinds, it has a demoralizing effect upon all who are brought under its influence. Several years ago King street in this city was filled with boys, some in knee pants, as anxious to see a lynching as they are to gaze on a circus pageant.

CONSUL-GENERAL GUNTHER writes that the police supervision of Frankfort, Germany, over the dealers in milk had for years endeavored to protect the consumers of milk against adulteration by frequent examinations. The courts, however, were usually very lenient and imposed only fines, which had little effect. Lately, however, in view of the many cases of milk adulteration, the courts deal more severely with offenders and impose jail sentences. Recently three milk dealers were sentenced to imprisonment and were fined for selling skimmed milk as "full" milk. If pure milk regulations were enforced in this country the coffers of the various municipalities would be enriched and there would be less sickness.

IF ONE gets in the way of the Sultan off goes his head; that is the Oriental way of maintaining official dignity. It is getting to be very much the same thing here. A chauffeur attempted in Washington to go past the President's carriage, and Mr. Roosevelt had him dismissed. A Mississippi pilot ran his boat too near the President's, and Mr. Roosevelt telegraphed to have his license suspended for ninety days. The inspectors in that district, wishing to make themselves "solid" with the President, went him one better and suspended the pilot for six months, though reliable passengers on the steamer say the pilot did nothing to warrant any such treatment.

ATTORNEY GENERAL BONAPARTE has revised his views of the immigration law. Some months ago he held that South Carolina has not violated the law in paying for the transportation of a shipload of immigrants and apportioning them among the localities where farmers were most in need of laborers. But he now holds in the case of a Cuban whose passage to New Orleans was paid for out of Louisiana State funds that the State has no greater privilege than an individual to assist immigration.

MAYOR BENNET, of Fort Dodge, Iowa, who recently gained fame by issuing a ukase that all bachelors within the city must wed within a year or pay a fine, was taken at his word Monday by Nolan Snow, a chauffeur, who eloped with the Mayor's daughter. Those who issue orders must stand the consequences.

From Washington.

[Correspondence of the Alexandria Gazette.]

Washington, Oct. 9.

Decided opposition to President Roosevelt's views on the advisability of federal control of railroads developed at the National Railroad Commissioners' meeting today. The objection was embodied in the report of the committee on the powers, duties and work of State railway commissioners, which was numerously signed. Among other things the report says: "We cannot pass lightly the suggestion of federal incorporation of railroads and that of government ownership so often heard. It may well be asked whether or not many of the things now complained of as wrongs would have happened if the State commissions had been clothed with greater powers. As long as the several States have the power of granting railroad charters, cannot that body have the granting of charters under a well regulated law? They are nearer the people than any federal body can be, and are in closer contact with the railroads and those connected with their management and operation. Whatever may be the powers given the federal body in railroad regulation, there will always be a useful field for the work of the State railroad commission."

The privilege of making ten-minute speeches between acts at $200 a week has induced Carrie Nation to go on the stage. She will travel with a "Ten Nights in a Bar Room" Company, in Kentucky. Temperance societies, in order to offset orators that the liquor interests sent into local options districts, have organized several "Ten Nights in a Bar Room" companies, and it was for one of these that Carrie was secured. Carrie is planning building in Washington a home for inebriates, with the money she makes on the stage.

Senators Martin and Daniel were both here yesterday looking after matters of interest to their Virginia constituents.

The thirty-fifth annual convention of the International Association of Fire Engineers met in Washington yesterday for a three-day session. Upwards of 400 delegates from all parts of the United States and Canada are in attendance. There was a parade yesterday and today a test of engines and other fire apparatus was held. Large crowds witnessed the parade and test.

A report from the Isthmian Canal Commission says that 120 feet of the main line track of the Panama Railroad sank in the mud of a swamp or "sink hole" about three weeks ago. It was then discovered that under the French management, old dump cars and rocks had been used as filling to make the place strong enough to support the rolling use, so a line of piles have been driven in, and the railroad now runs along the top of these.

It developed today that Chief Strategist Russell of the New York Telegraphers Union has been in conference here with Labor Commissioner Neil. The result of the conference has not yet been made public.

News of the Day.

The prohibitionists carried the liquor election in Asheville, N. C., yesterday by a majority of 848.

It is stated that Mrs. Mary Scott Hartje, of Pittsburg, Pa., was offered a million dollars to consent to a divorce.

The German foreign office denies the report of a German fleet coming to Atlantic ports when the American battleships go to the Pacific.

Lieutenant Commander Vogelgesang was yesterday assigned to the command of the Mayflower, the President's yacht, vice Lieutenant Commander Long, who asked to be transferred.

An injunction was secured yesterday against the distruction of the Crittenden oaks in the Botanical Gardens in Washington to make room for the pedestal of the Grant monument.

A tornado that struck the section of Leeds, Ala., yesterday caused the death of about fifteen persons, who were hit by falling trees and timbers. The damage to property was great.

The Isthmian Canal Commission yesterday awarded a contract to the Newport News Shipbuilding and Drydock Company for furnishing six steel barges for use on the Panama canal at the total cost of $120,000.

W. F. Holtzman, lawyer and real estate operator, of Washington, was yesterday stricken with paralysis at the corner of F and Ninth streets northwest, and is in a critical condition. Mr. Holtzman is a native of Rappahannock county, Va.

Twenty-eight of the "fat colonels" took their horsemanship test from Fort Myer yesterday afternoon, and the joke was on the President, who suspected that some of them couldn't ride. All, it is said, acquitted themselves handsomely.

E. H. Harriman and his policies were indorsed in a resolution passed by the annual meeting of the stockholders of the Union Pacific Railroad Company held in Salt Lake City, yesterday. The board of directors were re-elected without opposition.

The veto by National President Small of the strike order by local No. 16, of the Commercial Telegraphers' Union, of the leased wire operators to go into effect today, resulted yesterday in the strike order being rescinded at a meeting of the union held in New York.

Railroad commissioners from the various States were startled yesterday when Chairman Martin A. Knapp, of the Interstate Commerce Commission, in an address welcoming them to Washington, intimated that he wanted the States to yield power to the federal government over the railways.

The portico of the courthouse in Washington was the scene at noon yesterday of a fist fight between Leonard J. Mather and Leo Simmons, two members of the Washington bar. The "lie" precipitated the combat, which lasted several rounds, and the lawyers were pummeling each other fiercely, when friends interferred.

A summary of the Connecticut town and city elections held Monday shows that three of the four cities which voted for democratic officials almost entirely. One hundred and thirty-six of the 168 towns selected republican officers, against 145 last year. Three more towns than last year voted for license, making a total of 92 towns now licensed, against 76 unlicensed.

Detroit and Chicago, leaders of the American and National Leagues, respectively, played 12 strenuous innings to a tie in Chicago yesterday in the first game of the series for the baseball championship of the world. The contest was replete with sensational situations, and when Umpire O'Day, of the National League, called the play off on account of darkness most of the 24,377 spectators sighed with relief and went home well satisfied with the outcome.

Secretary Taft was the guest of honor at a banquet given last night by the Americans at Shanghai. In his speech he declared that the United States did not intend to sell the Philippines, adding that the only alternative to the present arrangement was independence. Remarking that the United States was pledged to the open-door in China, Mr. Taft declared that the United States would not tolerate any injury to her trade by political preference to any competitor. The Chinese presented a silver bowl to him.

Virginia News.

There is said to be a strong probability that as soon as Secretary Cortelyou gets back to Washington, the government will take over the financial management of the Jamestown Exposition and try to get back a part of the $1,600,000 loan.

The battleship Kentucky, stranded on a mud bank at Lambert's Point, while passing from Hampton Roads to the Norfolk navy yard, shortly after 8 o'clock yesterday morning, but was floated by ten or twelve powerful tugs.

Jesse D. Smith, of Washington, and Miss Ida May Lindsay, daughter of William W. Lindsay, of the same city, were married in Leesburg Monday at the residence of Rev. W. L Dolly, pastor of the Methodist Episcopal Church South.

The committee of the Richmond council appointed to arrange for the reception on Friday of William Jennings Bryan, who will make a political address there, yesterday announced the plan of giving a dinner on that occasion in honor of the city's guest.

The annual stockholders' meeting of the Southern Railway Company was held yesterday in Richmond. Col. A. B. Andrews first vice president, presiding. The annual report of the operations for the fiscal year ended June 30, was approved, and Messrs. Adrian Iselin, jr., Charles Lanier, Edmund D. Randolph and James T. Woodward were elected directors of the third class for the term of three years.

Roland Hubbard and Robert Burnett, two white boys, were fined in Police Court in Richmond yesterday morning for distributing a quantity of the commodity known as "cachoo" powder among the audience at the Bijou Theater Monday night, practically putting a stop to the performance for a time. The actors on the stage caught the contagion, making their performance in some instances ridiculous. The same youngsters operated also among the crowd on the street during a Salvation Army service, causing that to break up entirely.

EPISCOPAL CONVENTION.

Judge E. W. Saunders, member of Congress from the Fifth Virginia district, was the central figure in a debate on the floor of the House of Deputies of the General Episcopal Convention in Richmond yesterday. Judge Saunders advocated that an amendment be inserted in the rules of order requiring that when two men in the convention arise simultaneously the first man up would have the privilege of the floor. Judge Saunders protested his right to debate the amendment, which had been adopted by the committee on rules of order, but the question was put to the house and the amendment tabled.

The Virginia delegate was again opposed when he introduced, as a resolution, an amendment to the rules of order to the effect that the rules be placed on the calendar of each day's proceedings. At the outset Judge Saunders continued to debate his right to discuss an amendment after its adoption by a committee. After he had been interrupted several times the amendment requiring that the rules of order be placed on each day's calendar was carried almost unanimously.

The committee on new dioceses reported that it had considered a memorial from the missionary district of Laramie, requesting that the State of Wyoming be recognized as a separate missionary district, and had agreed that the house had no authority to act in the matter. The question was referred to the House of Bishops, the committee on dioceses being discharged from further consideration of the subject.

A message from the House of Bishops reported the concurrence of the bishops in a resolution adopted by the House of Deputies granting the petition of the Diocese of Georgia for a division of that State into two dioceses. The creation of the new diocese necessitates the creation of a new bishop. No suggestion has yet been made as to who the new bishop will be.

The proposed preamble to the constitution, passed by on Monday, was again taken up. Delegate Ould, of Virginia, offered an amendment to the promised preamble, striking out the word "American," and making the sentence read "this church," etc. In speaking of the amendment Mr. Ould called attention to the fact that there are other American churches.

Dr. Huntington, of New York, the father of the preamble, said that the purpose of the preamble was to inject a little religion into the organic law of the church. He had always been in sympathy, he said, with the Protestant denominations, but the Protestant Episcopal Church was, in his opinion, a truly American church. He maintained that there is now danger that the church will be looked upon as an annex of the Church of England.

A vote was taken on the Ould amendment and the amendment was lost.

The House of Bishops considered the question whether the address delivered before them by the archbishop of the West Indies, relating to white and negro churches, be printed in full for distribution, the question being voted on and carried by a large majority.

A report from the commission on the canal zone was received. This territory is now under the jurisdiction of the American church. It was formerly governed by the Church of England. Rev. Dr. Henry B. Bryan was created Archdeacon of Panama, and also endowed with the title of priest in charge of the canal zone, the cities of Panama and Colon and parts adjacent thereto.

The bishops considered the question of a petition from the Christians of Japan, inquiring what would be necessary to the creation of a Japanese bishop to officiate in his own country, and under what conditions such a dignity could be conferred. The discussion of this question was not closed.

A joint session of the two houses was held in St. Paul's Church in the afternoon, the business sessions having adjourned for that purpose. The general subject, "What Is the Responsibility of the American Church in the Far East," was discussed.

A reception to the general convention was given at the Jefferson Hotel by the Richmond churchmen at night. The reception was well attended, many of the notable men of the church being present.

The bishops discussed the question of dividing the church into eight provinces, each to hold a synod yearly, at which the bishops, presbyters, and laymen will sit. No action was taken.

A sensation was sprung in the afternoon at a joint session of the House of Bishops and the House of Deputies Bishop Brent, of the Philippines, criticised the United States government most severely for its treatment of the people of the Philippine Islands. He said christian people and christian churches should demand that Congress give the Filipinos common justice. "I demand that you will make an attempt to remedy the injustice that has been done by the country to the people of the Philippine Islands." The speech was greeted with cheers.

A million dollars was given as a thank offering at the men's communion service this morning.

City Council.

The first meeting of the City Council since July 9 was held last night. Considerable routine business was transacted—the accumulation of the past three months. The official proceedings will be found elsewhere.

BOARD OF ALDERMEN.

Mr. Sweeney, from the finance committee, submitted a report on applications of the Reliance, Columbia and Relief fire companies for an appropriation of $100 for each organization for the purpose of aiding in defraying the expense incident to attending the State Firemen's Convention at Newport News last August. The committee recommended an appropriation of $50 to each of the companies. Mr. Sweeney gave the reasons of the committee for the report.

A discussion followed, which was participated in all by the Aldermen, and the report was finally adopted. This action was subsequently reconsidered, and by a unanimous vote $75 was appropriated for each organization.

Mr. W. H. May and others presented a protest against Mr. P. T. Harrington being allowed to erect a livery stable on the east side of St. Asaph street between King and Cameron.

Mr. Marbury said this was a matter which should not come before Council. If the petitions felt aggrieved, they could go to the courts, as the permit for the structure had already been granted.

President Curtin declared the petition out of order, and no action was taken.

Some routine business was then transacted, after which the Alderman, without discussion, concurred in the action of the Common Council on all the papers sent in.

Mr. Sweeney presented a report favoring the payment of a bill of $378.28 of the Pinkerton Detective Agency for services in connection with the investigation of the murder of George N. Curtin. The report was the same submitted several months ago. The report was adopted, after which the board adjourned.

COMMON COUNCIL.

The board was called to order at 7:50 o'clock, the President presiding.

The committee on light reported favorably on a petition of the Alexandria Light Infantry to be relieved of the payment of a bill of $205.92 for gas used by that company. The report of the committee was adopted.

On a petition for a gas light at the intersection of Fairfax and Gibbon streets the committee on light reported that the petition be granted providing a suitable person agreed in writing to attend to the light. The report was adopted.

A petition of sundry citizens living on Washington street near the intersection of Wythe and Montgomery streets stating that a good sidewalk and curb were badly needed at that point, was referred to the committee on streets.

A petition from Mr. C. C. Bailey for the purchase of the entire output of the ammonia of the city gas works was submitted by the committee on light. The petitioner states that he is willing to pay $550 per annum for the ammonia providing the city carbonizes not less than 4,000 tons of coal.

Mr. Uhler stated that the proposition had been submitted to the light committee, but that they had thought best to submit it to the city. The city at present got no income from the ammonia. The committee had agreed to ask Council to authorize the committee to enter into a three years contract with Mr. Bailey. He said the additional cost to the city would not be $50.

Mr. Strauss said that inasmuch as $500 would be made by the city, he thought the plan was a good idea.

The committee was authorized to enter into a contract with Mr. Bailey.

A communication was received from A. J. McKiever, secretary and treasurer of the Alexandria Electric Light Company, stating that new generators had been placed in the works and that the plant was now in good condition to furnish high-grade electricity. He also stated that the company would shortly increase the city arc lights from 6 to 7.5 amperes which would be equivalent to a 2,000 candle power light. With the communication was a resolution by the committee on light that the change would be acceptable.

Mr. Uhler said the matter of the city lights had been referred to Mr. Philander Betts, electrical engineer for the Washington Gas Light Company, and he had said the 7.5 ampere lights were sufficient. He asked immediate consideration.

Mr. Spinks wanted to know if the city did not enter into a contract with the electric company for 2,000 candle power light.

Mr. Uhler said Mr. Betts was an authority on electrical matters and the committee had taken his advice. He said that the 7.5 ampere was a recognized 2,000 candle power light, the present lights were not equal to the old ones but the company wanted to put up the proper lights as soon as they could.

Mr. Williams—"Does that affect the city's contract."

Mr. Uhler said he believed not.

After some further discussion by Messrs Strauss, Spinks, Williams and Uhler, the matter was recommitted to the committee on light.

A petition for a gas lamp at the corner of Duke and Fayette streets was referred to the committee on light.

A communication was received from the City School Board concerning a new school building for girls, asking that a conference be held on the matter. The committee also asks for an additional appropriation of $1,500 to increase the salaries of some of the teachers and to liquidate the board's debt of last year. The matter was referred to the committees on finance and schools.

A petition from W. P. Graves, sr., asked for the refunding of taxes paid on property near Fairfax and Franklin streets, which had been paid by mistake between the years 1859 to 1871. He asked that the city allow him $184.08 paid as taxes. The petition was referred to the committee on finance.

A resolution was adopted asking the Corporation Attorney and the committees on public property, finance and general laws to report to council at the next meeting the status of negotiations with Dr. Lauris relative to the ownership of the land north of the Old Dominion Glass Works.

A resolution appropriating $2,000 for repairs at the Alms House was referred to the committee on poor.

A petition was received from Mr. W. H. May and a number of property owners objecting to the erection by Mr. P. T. Harrington of a livery stable on St. Asaph street, between King and Cameron streets. The petitioners state that the street would be blocked by vehicles and horses; that in summer foul odors would arise and that the place would be a breeding place for rats and insects. They asked that the matter be fully investigated.

A member objected to the reading of the paper on the ground that Council had nothing to do with the matter as Mr. Harrington had complied with the building regulations.

The Chair held that the citizens had the right to petition, and after the paper had been read it was referred to the committees on streets and general laws.

Reports from the committee on finance on the petitions of the three fire companies asking for $100 each to help defray the expenses of the company to Newport News was received from the Alderman. The committee on finance had recommended that the Reliance Fire Engine Company be given $75; the Columbia $75, and the Relief $50. This recommendation had been adopted by the Aldermen.

Mr. Williams argued in favor of giving the fire companies the money asked for; the committee had told them to go ahead and council would make the appropriation. This was a parallel case with that of the Mayor and the Pinkerton Detective Agency. The money had been expended and the full amount should be paid them.

Mr. Burke said he could see no parallel. The committee had only told them they would recommend the appropriation.

Mr. Williams insisted that it was a parallel case and said he could not see where it was not.

Mr. Burke said the committee had not contracted any debt.

After further debate between Messrs. Williams and Burke, Mr. Uhler read the letter addressed to the fire companies, stating that the committee would recommend the appropriation.

Mr. Williams insisted that the last clause of the letter intimated that council would give the money. After further argument by Messrs. Spinks, Strauss and Brill, the latter moved that the appropriation for the Relief Hook and Ladder Company be made $75, which motion was lost. Finally the action of the Board of Aldermen in adopting the committee's report was concurred in.

A proposition was received from Thomas Atkinson to repair the steeple and vane of the City Hall for $100. The matter was referred to the committee on public property.

Mr. Uhler asked what had become of the proposition to paint the gas office which had been referred to the Sinking Fund Commissioners. The chair stated that as council had taken a vacation the commissioners had done likewise. A resolution asking for an additional appropriation of $300 for fire plugs, the old appropriation having been exhausted was passed.

The report of the finance committee recommending the appropriation of $378.28 to pay the bill of the Pinkerton Detective Agency, was received from the Alderman.

The report was the same as made by the committee when it previously reported on the matter. In the report recommending payment, the joint committee on finance and general laws used pointed language in criticising the action of the mayor in incurring the expense. It was declared that the procedure was "without any authority or precedent," and the hope was expressed that such an incident might never occur again. In explaining why the bill "created in an irregular manner" was indorsed, it was stated in the report that the committee wished to support the "well-meant actions of the executive." The assertion was added, however, that the recommendation was not influenced in the slightest degree by any apprehension that the city might be held legally responsible for the amount.

Though the report was adopted as it came from the joint committee, the Mayor's cause was defended by Messrs. Williams and Spinks, who stated that he had acted entirely within his authority in the matter. Mr. Williams asserted that the city's executive was absolutely confident of the legal correctness of his position, but that he had expressed himself as willing to accept censure rather than subject the city to a law suit in which he felt sure it would lose.

Mr. Spinks said he would vote to concur with the Aldermen in adopting the report but that he felt like apologizing to the Mayor for doing so.

Mr. Williams again called the attention of the council to what he termed "a striking parallel" between the circumstances in which the Mayor acted and those attending the payment of bills contracted recently by the fire companies on the quasi assurance of the finance committee that the amount would be forthcoming when the council met after the summer intermission.

Mr. Evans said no one seemed to know anything about the bill of expenses and demanded a reading of the itemized statement. This was being done when a motion to suspend the further reading was carried.

After considerable debate along the lines of that formerly made by the members Mr. Williams moved to concur in the action of the Board of Aldermen, and the motion was carried, Mr. Evans alone voting no.

The Alexandria Distilling Company asked council for a fifteen-year lease on certain ground north of the old canal basin at a nominal rental, and the matter was referred to the committees on finance, public property and general laws.

Mr. Strauss suggested that if everything was going dry distilleries would no be needed.

The Chair offered a resolution appropriating $160 to assist in the establishment of a night school for boys, and it was adopted.

A communication from Eugene E. Gaddis stating that he and his associates intended to erect thirty houses in the triangle bounded by Commerce, Prince and Peyton streets, and asking that the city make provisions for sewers, sidewalks and other improvements, was referred to the committee on streets.

Just before adjournment Councilman Evans introduced a resolution, which was referred, calling upon the council to inquire into the validity of the creation of the office of police justice for this city.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everythere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerves of the Stomach, etc. Sold by E. S. Leadbeater & Sons.

BOARD OF ALDERMEN.

At a regular meeting of the Board of Aldermen of the city of Alexandria, Va., held October 8, 1907, there were present:

J. R. N. Curtin, esq., President, and Messrs. Hill, Brill, Marbury, Sweeney and Summers.

A petition of W. H. May and others protesting against the erection of a livery stable by P. J. Harrington on the east side of St. Asaph street, between King and Cameron, was read.

The President ruled that the petition was out of order, as the permit for the erection of a building on the site named had been issued, and the courts were the proper tribunals to which the appeal should be made.

Mr. Sweeney, from the Finance Committee, reported in favor of appropriating $50 to each of the fire companies of the city—the Reliance, Columbia and Relief Hook and Ladder—to aid in defraying the expenses of the members of those organizations in their visit to Newport News where the State Firemen's convention was held in August, 1907.

The report was adopted, and the Aldermen subsequently reconsidered their action and appropriated $75 to each of the above-named companies.

A petition of T. B. Cochran for permission to place a wooden porch in the rear of a house, No. 722 King street, was granted provided there is no objection on the part of adjoining property owners.

A petition of John McKenna for permission to replace a shingle roof on his shop, No. 303 south Columbus street, was granted on the same terms.

Mr. Sweeney submitted a report on a bill of $378.28 of the Pinkerton Detective Agency for services in connection with the investigation of the murder of George N. Curtin, recommending that the same be paid, and the report was adopted by a unanimous vote.

He also presented a resolution appropriating $300 for fire plugs, which was adopted by a unanimous vote.

The following was received from the Common Council and their action concurred in by unanimous votes:

Communications from the City School Board requesting an extra appropriation of $1,500 for the increase of salaries of teachers and to liquidate indebtedness incurred by the board. Also a communication from the School Board concerning the erection of a new school building for girls.

Resolution appropriating $2,000 for improvements at the Alms House.

Petition of W. P. Graves for the refunding of certain taxes paid by mistake.

Communication from F. J. Paff, Mayor, enclosing a communication from the League of Virginia Municipalities.

Bill of Dr. S. B. Moore ($7.50) for professional service, in lunacy commission and inquest.

Petition of the Alexandria Distillery Company for the lease of certain city property near the old Alexandria canal.

Proposal of Thomas Atkinson to repair City Hall steeple.

Petition of W. H. May and others protesting against the erection of a stable on the east side of St. Asaph street, between King and Cameron.

Resolution inquiring into the legality of the act creating the office of Police Justice in the city of Alexandria.

Petition of sundry citizens for a sidewalk on Washington street, between Wythe and Montgomery.

A petition of the Alexandria Light Infantry for permission to connect their armory with the Royal street sewer.

Communication from E. E. Gaddis in reference to improvements at Commerce, Peyton and Prince streets.

Petition of S. A. Tucker for permission to build a two-story frame dwelling on Queen street, between Alfred and Patrick.

Petition of C. H. Yohe for permission to repair a shingle roof on house 123 north Washington street.

Resolution appropriating $160 to maintain a public night school.

Resolution inquiring into the status of the negotiations between the city and the Dr. Lauris.

Communication of C. C. Bayly offering to purchase ammonia from the City Gas Works.

Petition of sundry citizens for a gas lamp at Duke and Fayette streets.

Proposition of the Alexandria Electric Company in regard to proposed change of arc lamps.

Report of the Committee on light on a bill of $206.92 of the Alexandria, Light Infantry.

Petition of sundry citizens for a gas lamp at Gibbon and Fairfax streets.

The board then adjourned.

J. R. N. CURTIN, President.

Teste: LUTHER H. THOMPSON, Clerk.

COMMON COUNCIL.

At a regular meeting of the Common Council of the city of Alexandria, Va., held October 8th, 1907, there were present: Hubert Snowden, esq., President, and Messrs. Leadbeater, Burke, Birrell, Monroe, Hellmuth, Harrison, Uhler, Spinks and Evans.

The Committee on Light recommended that a gas lamp be erected at the intersection of Fairfax and Gibbon streets, providing some person will agree in writing to properly care for same and the report was adopted.

The Committee on Light recommended that the Alexandria Light Infantry be allowed the amount of gas bill from November 29th, 1906, to July 24th, 1907, amounting to $205.92 and the report was adopted.

A communication from the Alexandria Electric Company, relating to installation of new arc lamps of 2,000 candle power, together with an opinion of Philander Betts, consulting engineer, and a resolution authorizing the Committee on Light to accept lamps of 7.5 ampere, was considered and recommitted to the Committee on Light.

A petition for a new gas lamp at the corner of Duke and Fayette streets was referred to the Committee on Light.

A proposition from C. C. Bayly to purchase the entire production of ammonia from the City Gas Works for the sum of $550 per annum, was received and the following resolution, recommended by the Committee on Light, was adopted.

Resolved, That the Committee on Light be and is hereby authorized to enter into a contract for a term of three (3) years with C. C. Bayly for the purchase of the entire output of ammonia from the City Gas Works, upon an agreed price of $550 per annum—ayes, 14, noes, 0.

A resolution instructing the joint Committee on Public Property, Finance and General Laws to report at the next meeting the status of the negotiations with Dr. Luria, relating to city property north of Old Dominion Glass Works, was adopted.

A resolution appropriating $160 or so much thereof as may be necessary to help pay the expenses of a night school for boys during the school session, at the disposal of the joint Committee on Schools and Finance, was offered by Mr. Snowden and passed—ayes, 14, noes, 0.

Permission was granted C. H. Yohe to repair shingle roof in rear of 123 north Washington street.

Also to L. A. Tucker, jr., to build 2-story frame dwelling on Queen street, between Alfred and Patrick streets, providing there is no objection from adjoining property owners.

A communication from the Mayor enclosing a petition from Eugene E. Gaddis, relating to sewers and sidewalks on the triangle bounded by Commerce, Peyton and Prince streets, was referred to the Committee on Streets.

A petition from the Alexandria Light Infantry to tap the Royal street sewer, was referred to the Committee on Streets.

A petition for repairs to sidewalk on Washington street, between Wythe and Montgomery streets, was referred to the Committee on streets.

A resolution instructing the Corporation Attorney to investigate and report at the next meeting the legality of the position of Police Justice, was offered by Mr. Evans and referred to the Committee on General Laws.

A petition from Wm. H. May and others protesting against the erection of a stable by Mr. P. T. Harrington on St. Asaph street, between King and Cameron street, was referred to the joint Committee on General Laws and Streets.

A proposition from Thomas Atkinson to repair the weather vane on the City Hall steeple, was referred to the Committee on Public Property.

A petition from the Alexandria Distillery Company to lease with the privilege of purchase a strip of land north of the Alexandria canal, was referred to the joint Committee on Finance, Public Property and General Laws.

A bill of Dr. S. B. Moore for professional services ($7.50) was referred to the Committee on Finance.

Out of Sight.

"Out of sight, out of mind," in an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles, too, and and chilblain disappear under its healing influence. Guaranteed by druggists. 25c.

A communication from the Mayor enclosing a letter from the President of the League of Virginia Municipalities, relating to a meeting of the organization in Richmond, on January 15th, 1908, was referred to the Committee on Finance.

A petition of Willard P. Graves, sr., for a refunding of taxes and money paid under mistake, was referred to the Committee on Finance.

A communication from the City School Board requesting that a new school building be erected for girls, and that an additional appropriation of $1,500 be made so as to increase the salaries of some of the teachers and liquidate indebtedness incurred last year, was referred to the joint Committee on Finance and Schools.

A resolution appropriating $2,000 for necessary repairs at the Alms House was offered by Mr. Williams and referred to the joint Committee on Poor and Finance.

A report of the Finance Committee recommending an appropriation of $50 for the Relief Hook and Ladder Company was received from the Board of Aldermen. A motion to nonconcur in the action of the board was lost, ayes 6, noes 8, and the action of the board was concurred in, ayes 8, noes 6.

A report of the Finance Committee recommending an appropriation of $378.28 for the Pinkerton Detective Agency, was received from the Board of Aldermen, and their action concurred in—ayes 13, noes 1 (Mr. Evans).

The following was received from the Board of Aldermen and their action concurred in:

Today's Telegraphic News.

Dr. Blackford Injured.

[Special Dispatch to the Alexandria Gazette.]

Richmond, Va., Oct. 9.—Dr. L. M. Blackford, president of the Episcopal High School, located near Alexandria, was struck by an automobile in front of St. Paul's Church at 10:30 this morning, and painfully injured. He was removed to the Memorial Hospital. The auto that struck Dr. Blackford is the property of Robert C. Pruyne, a lay delegate to the Episcopal Convention from Albany, N. Y., who was riding up to the church door when the accident happened. Dr. Blackford stepped from the side walk in to the street in front of the machine and was knocked down, receiving a three-inch cut over his left eye.

Dinner to Mr. Bryan.

[Special dispatch to the Alexandria Gazette.]

Richmond, Oct. 9.—The council committee on entertainment of distinguished visitors met again this morning and reversed the action it took yesterday. It was decided today to give a dinner to William J. Bryan and visiting Virginia editors at Murphy's Hotel on Friday night. Today's action was unanimous.

Car Barns Destroyed.

New York, Oct. 9—Nearly $1,000,000, loss was done early today by a fire which partly destroyed the New York City Railway Company's car barns at Fourteenth street and Avenue B.

The flames threatened to spread to adjoining tenements some of which were badly damaged by the falling of the walls of the barn. Hundreds of tenants were driven from home half clad. The Church of the Immaculate Conception, on Fourteenth between Avenues A and B, was thrown open to these refugees.

The fire started on the fourth or top floor of the barns to which there was no access except by a single narrow stairway, and much time was lost by the firemen in reaching it with fire-fighting apparatus.

The fire completely wrecked the third and fourth floors of the barn and destroyed 150 electric cars worth $3,500 each and 30 horse cars. Four hundred and fifty horses in an "L" adjoining were rushed from the stable just before a toppling wall crushed the roof on the building.

Fire Chief Croker had a narrow escape while rushing in his automobile to the scene of the fire, the left front wheel of the machine coming off while the chief was making nearly sixty miles an hour. Though power was cut off at once the automobile was going so rapidly that it continued to run on three wheels for more than a block, the missing wheel bounding ahead. The chief was not thrown out, but jumped from the automobile as soon as it stopped.

Serious Conditions in Persia.

St. Petersburg, Oct. 9.—Russia is considering the early occupation of north Persia as the only means of stamping out anarchy and restoring commercial stability. Bandits are in complete control of the road leading to the principal cities; goods, moneys and the mails are being constantly stolen, travelers held for ransom and practically no one is allowed to travel without paying tribute to the robber bands. Though different bands of theives act independently there is believed to be a general organization to which all belong and a commander to which the various captains are subject. Some of the bands number 200 or 300 men and the total runs far up into the thousands. The cities are headquarters for anarchistic organizations which not only co-operate with the highwaymen, but hatch numberless anarchist plot against officials in Russia and even more distant countries, as well as against those in their own country. In some cases the government officials are probably in league with the outlaws, and scarcely anywhere in north Persia are the authorities strong enough to defy the disorderly element. Business is at a standstill and merchants are being driven into bankruptcy daily by the tribute levied on them and by their inability to transact business under the difficulties which confront them.

Children Murdered.

Providence, R. I., Oct. 9.—Discovery of a fourth child murder within five weeks has set the police searching for a criminal of the most degenerate type. The latest victim found yesterday was a two-year-old baby, whose body had been enclosed in an old suit case and hidden in the northern part of the city. Finger marks on the body indicate that life was crushed out by a strong hand. Several ribs were broken. The other bodies, all of which were found in the same neighborhood, were treated in the same way. The police believe that the murder is either a degenerate or one for hire that puts unwelcome children out of the way.

W. J. BRYAN TO LECTURE.

Rev. Charles D. Bulla, pastor of Washington Street M. E. Church South, has made arrangements for William Jennings Bryan to deliver a lecture in Alexandria on Friday evening, November 22. Mr. Bulla saw Mr. Bryan in Richmond last June and told him about the Young People's Building which had just been begun. Mr. Bryan was interested in the movement and on invitation of Mr. Bulla consented to come to Alexandria and deliver his great lecture, "The Old World And Its Ways." The proceeds of the lecture will be devoted to the support of the work which will be carried on in the building this winter. This enterprise has been commended by the people of Alexandria, and is worthy of the interest manifested by the distinguished orator-editor statesman, who will be given a large hearing by Alexandrians. The lecture will be delivered in the Opera House after which Mr. Bryan will attend an informal reception tendered himself and the patrons of the lecture, in the George R. Hill Memorial. Mr. Bryan will be the guest of Rev. Mr. Bulla while in the city.

DR. BLACKFORD INJURED.

A dispatch received at this office this evening from Richmond states that Dr. L. M. Blackford, principal of the Episcopal High School, near this city, was struck by an automobile this morning near St. Paul's Church, Richmond, and quite painfully hurt. He was taken to the Memorial Hospital, where it was found that no bones were broken though he had sustained a painful cut on his head. The many friends of Dr. Blackford in this city and throughout the State hope he may soon recover from his injuries.

RIVER NOTES.

The schooner J. P. Robinson, loaded with lumber by Smoot & Co., has sailed for the lower river.

The schooner Cox & Green, loaded with railroad ties for Boston, sailed today.

During the high wind yesterday morning a sloop belonging to Mr. Carey Mills, which was anchored in the cove between Wilkes and Gibbon streets, dragged her anchor and was blown into the channel. At last accounts the sloop was ashore near Buena Vista.

SUCCESSFUL DEMONSTRATION.

The demonstration of the Pettey Electrical Semaphore this morning at the intersection of 7th street and Louisiana avenue, Washington, was a success in every particular, and was conceded by the fire chiefs who were present to be an invention of merit. Mr. George W. Pettey, the inventor, is a well known volunteer fireman of this city and it is hoped that his efforts will be rewarded by the adoption of his invention by the committee on exhibits which will make its report at 4 o'clock this evening.

OPERA HOUSE.

At the Opera House Thursday night the attraction will be "The Shoplifter," a melodrama of many scenes. This drama is not of the clap-trap variety, but has just enough pathos in it to make it interesting. There is plenty of wholesome fun during the show, besides which the latest songs and dances will be rendered. One of the thrilling scenes will be a stone quarry in full operation. During this scene an explosion takes place and the villian is killed by a falling stone.

DEATH OF MRS. NUGENT.

Mrs. Ellen Nugent, widow of Patrick Nugent, an old and well-known resident, died at her home, No. 534 south Pitt street, early last night after a short illness. The deceased was 67 years old. She leaves three sons. Mrs. Nugent was born in Londonderry, Ireland, but came to this country in early life, making her home in this city. For many years she conducted business at the northeast corner of Gibbon and Pitt streets.

ELECTION EXPENSES.

Mr. L. H. Machen, one of the defeated candidates at the recent democratic primary for the State Senate, has filed with the Clerk of the Court and the Secretary of the Commonwealth a statement of the expenses he incurred in his canvass. He places the total amount at $652.04. Mr. R. E. Thornton and Mr. A. J. Wedderburn, the other candidates, will file their statements in a few days.

OFFERS TO ADJUST VANE.

Among the papers presented to the City Council last night was a proposition of Thomas Atkinson, of Washington, who desires to be employed to adjust the vane on the City Hall steeple, and make such repairs as may be necessary. The paper was referred to a committee. The vane has pointed toward the northwest during the past twenty years.

POLICE COURT.

[Justice L. H. Thompson presiding.]

The following cases were disposed of this morning:

Laura Solomon, colored, charged with disorderly conduct and with destroying property, was fined $5.

A white man, charged with being drunk, was dismissed with an admonition.

FUNERAL.

The funeral of the late Mrs. Emma R. Cottrell, who died Monday morning, took place this afternoon from the residence, No. 307 north Columbus street. The services were conducted by Rev. Mr. Humphreys and the interment was in Bethel cemetery.

SUIT FOR DIVORCE.

A suit was filed in the Corporation Court today by Mrs. Frances P. Dold against Mewman L. Dold for absolute divorce and to obtain the custody of her infant child. Mrs. Dold before marriage was Miss Frances P. Lozano.

Dr. J. W. Bischoff will give an organ recital at the Alfred street Baptist Church tonight at 8 o'clock for the benefit of the organ club.

PERSONAL

Mr. C. A. Van Aelstyn, who has recently been residing in the west, has returned to this city.

Mr. W. W. Ballenger, Miss Ida Ballenger and Miss Kate Brannon have gone to the Jamestown Exposition. While absent Mr. Ballenger will attend the meeting in Norfolk of the Grand Commandery Knights Templar.

Mrs. Jacob Brill, accompanied by her daughter, Catharine, and niece, Edna, left today for the Jamestown Exposition. They will also visit Richmond.

Mr. Robert M. Prettyman and Miss Sallie L. Risheill, daughter of Mr. T. V. Risheill, were quietly married last night at the residence of the bride, No. 219 south Pitt street, only the families of the bride and groom and a few intimate friends being present. Rev. C. D. Bulla officiated. After the ceremony Mr. and Mrs. Prettyman left on a wedding trip to Louisville, Ky.

MR. JOHN BARRETT TO LECTUE.

The Presbyterian Brotherhood have the interesting announcement to make to the men of the city that they will reopen their series of men's meetings next Monday night at 8 o'clock in the Second Presbyterian Church, and that they have secured the consent of Mr. John Barrett, director of the International Bureau of American Republics, to make the address of the evening. Those who heard Mr. Barrett last March in his address on the South American Republics were profuse in their appreciation of the privilege of hearing him and of his wonderfully vivid, stiring style of address, and those who missed the treat were strong in their regret, and the men of Alexandria will welcome this second opportunity of hearing him. As heretofore stated, these meetings are open to all men, no admission being charged or collection taken.

COUNTY SCHOOL BOARD.

A meeting of the Arlington district school board, of Alexandria county, was held at Rosslyn last night. Dr. Charles B. Munson, William A. E. McShea and Ralph Baldwin, comprising the board of trustees, and James E. Clements, superintendent of county schools, were present. Dr. Munson was elected chairman and William A. McShea clerk, and after disposing of routine business, the question of the plans and specifications for the proposed school house on Fort Myer Heights was discussed but matter was postponed until next Saturday night.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by E. S. Leadbeater & Sons.

LOCAL BREVITIES.

A band of gypsies, who had been in this vicinity for some time, today sold their horses, wagons, etc., in front of the city market.

Mr. George William McClintch, formerly of Alexandria, where he had a number of friends, died yesterday at his home in Baltimore.

There was a heavy frost this morning and ice formed in exposed places in and near the city. The mercury at 7 o'clock this morning registered 45.°

Mrs. George E. Markell, while lighting a gas stove at her home on Wolfe street this morning, was badly burned about her face by the explosion of gas.

Meetings of the Crystal Plate Ice Co. and of the Potomac Hotel Corporation were held yesterday at the office of Messrs. Norton & Boothe when directors were elected.

The police were notified today that a colored man named Will Harris recently broke into the house of Henry Dixon, 1404 King street, and stole therefrom a satchel containing clothing.

Oysters fried, stewed or raw. Fried clams. Hard shell crabs. Clam Soup three times a week. Stews of all kinds. C. H. Zimmerman, Market Space. feb 26tf

ROYAL ARCH MASONS.

The Grand Royal Arch Chapter of Virginia Masons, in session in Norfolk, last night elected the following officers: Grand high priest, J. H. Fisher, of Alexandria; grand supreme king, W. B. McChesney, of Staunton; grand scribe, E. L. Gay, of Norfolk; grand treasurer, George W. Poe, of Richmond; grand secretary, J. B. Blanks, of Petersburg; grand chaplain, J. R. Vanhorn, of Clifton Forge. The election and installation of officers concluded the business of the Masons. The visiting Masons were guests today of Norfolk United Royal Arch Chapter, No. 1, at the exposition. It was Royal Arch Day at the fair.

Baseball.

Chicago, Oct. 9.—Reulbach or Pfeister will pitch for Chicago today, with Kling at backstop. Mullin or Seiver will handle the ball for Detroit and Schmidt will catch.

The game will start at 2 p. m., instead of 2:30, to prevent another game being called on account of darkness. Yesterday's tie will be played off in Chicago Thursday.

Lusitania Breaking Records.

London, Oct. 9.—The Lusitania, according to an official statement just issued by the Cunard line, is breaking all existing records in her voyage westward. Wireless dispatched received here states that her run for 24 hours of Tuesday was 608 knots, this being the fastest ever made by an ocean liner. Since she cleared Daunt's Rock her average speed has exceeded 24 knots an hour.

A fire in a cigar factory on Chambers street, New York, yesterday afternoon caused great excitement and much terror. Smokeless powder was stored near the scene of the fire, and the occupants of the burning building escaped in terror. Great consternation prevailed in the neighborhood, as it was feared that should an explosion occur skyscrapers in the vicinity would be in peril; hence people ran pell mell from them. The fire was finally subdued before any one was seriously injured, although thirteen firemen were overcome by smoke, 1,000 girls were thrown into a panic and traffic on the streets was blocked.

A Criminal Attack

on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following liver torpor. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels. 25c at all drug stores.

STATIONERY.

Welcome Mail Man!

Don't you eagerly await his coming and watch with interest as he sorts your mail? He brings consoling words of love, friendship and happiness.

Are these words really consoling when carelessly written on cheap flimsy paper? Doesn't a letter seem to personify Purity and Sincerity when neatly done on a good substantial and up-to-date writing paper?

Your letter will be much more welcome if written on

EATON'S BERKSHIRE LINEN FABRIC.

We can show you sizes and supply you with "correct" stationery.

FINANCIAL.

An investment you wish to make, rest assured the safest investment you can possibly make is to deposit your money in the Savings Department of this corporation where it will earn 3 per cent. interest compounded twice a year. Your principal will then be always at your command and cannot depreciate in value. You can start an account with this corporation for $1.00 or upwards. If you have other investments in view isn't it advisable to have your MONEY MAKING MONEY while you are deciding this matter. There's many a $1 or $5 bill spent unnecessarily because it is carried in the pocket, when a savings account would have discouraged or prevented the expenditure. A bank account is not only a convenience, but a great encourager of economy, so why not commence right and open an account with us today. We invite you to do so and promise courteous and liberal treatment consistent with sound banking methods.

FOUL PLAY SUSPECTED.

Rumors were in circulation in Westminister, Md., Monday night, that a young woman had been found murdered somewhere in that vicinity. Yesterday morning it developed that it grew out of an inquiry into the death of Miss Ella Baker, daughter of Henry Baker, of Wakefield. Miss Baker died at the home of Clarence Ensor, across the line in Frederick county, about three miles from New Windsor, on Sunday, September 22, after an illness of 24 hours.

She had attended Robbins's Circus in Westminister on Friday, September 20, in company with a young man, and was apparently in perfect health. The next day she went to the home of Mr. Ensor, where she was taken violently ill and died and was buried on the following Wednesday. Subsequently rumors of foul play became circulated, and the body was exhumed and an autopsy made Monday. The result of the post mortem, however, could not be ascertained, as both the physicians declined to give any information in relation to it. But it was learned from another source that some portion of the body was sent to Baltimore for analysis.

The young woman was 19 years old. She was a pretty and attractive girl. No arrests have been made.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventics. Druggists everywhere are now dispensing Preventics, for they are not only safe, but decidedly certain and prompt. Preventics contain no Quinine, no Laxative, nothing harsh or sickening. Taken at the "sneeze stage" Preventics will prevent Pneumonia, Bronchitis, La Grippe, etc. Hence the name, Preventics. Good for feverish children. 48 Preventics 25 cents. Trial Boxes 5 cts. Sold by E. S. Leadbeater & Sons.

Hard Times in Kansas.

The old days of grasshoppers and drought are almost forgotten in prosperous Kansas of today; although a citizen of Codell, Earl Shamburg, has not yet forgotten a hard time the ncountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold remedy and lung and throat healer ever discovered. Guaranteed by all drug stores. 50c and $1.00. Trial bottle free.

THE NEW UNION STATION.

Definite dates for the opening of the new union station in Washington have been set by both the Pennsylvania and the Baltimore and Ohio railroads. The Baltimore and Ohio will run trains into the terminal October 26, and the Pennsylvania by November 16 According to the plans decided upon prior to the completion of the station, the patrons of the station will enter and depart by the eastern entrance, and will use the room which is intended as the women's waiting room, and the smaller room adjoining it as waiting rooms. The baggage will be handled in temporary quarters on the west side of the building. The ticket offices will be temporarily located on the big concourse between the station proper and the train shed.

At the Waist

Pains at the waist, back, front, or side, are nearly sure proof of female trouble. Some other signs are headache, pressing down pains, irregular functions, restlessness, cold limbs, nervousness, etc. These pains may be allayed, the system braced and the womanly functions regulated by the use of

Wine of Cardui

Mrs. Annie Hamilton, of Stetsonville, Wis., writes: "Cardui saved me from the grave after three (3) doctors had failed to help me. It is a good medicine and I recommend it to all suffering women." For sale at all druggists, in $1 bottles.

WRITE US A LETTER Write today for a free copy of valuable 64-page Illustrated Book for Women. If you need Medical Advice, describe your symptoms, stating age, and reply will be sent in plain sealed envelope. Address: Ladies Advisory Dept., The Chattanooga Medicine Co., Chattanooga, Tenn. J-17

To Users of Power

Do you know, Mr. Power User, that we can operate your plant cheaper by electricity than you possibly can by steam or other methods? Write or telephone us, and we will call and explain why. Here are the names of some of the manufacturers who are using our power:

The Risheill Lumber Co	25	Horse Power.
F. J. Pollard, Flour Mill	25	" "
Lawrence Mill Co	50	" "
The Old Dominion Glass Co	35	" "
The Emerson Steam Pump Co	25	" "

In addition to this we have about thirty customers who are using smaller motors.
